First Party

v/s

M/s. Hotel Imperial,
Panaji — Goa.

Second Party

By the order dated 22nd May, 1975, the Government of Goa, Daman and Diu referred the dispute relating to the termination of the services of Kumari Angelina Fernandes, receptionist, with effect from 23rd June, 1974, by the Management of M/s. Hotel Imperial, Panaji to this Tribunal.

The points referred to are as under:

«Whether the action of the Management of M/s. Hotel Imperial, Panaji, Goa, in terminating the services of Kum. Angelina Fernandes, receptionist with effect from 23rd June, 1974, is legal and justified?

If not, what relief the workman is entitled to?»

The order of reference was registered at IT/12/75 and the first party was called upon to file the claim statement. Even before that, a letter dated 10th March, 1975, purporting to be from Kumari Angelina Fernandes, intimating that by reason of amicable settlement which was entirely to her satisfaction, she had resumed her duties and she had no claim statement to file against the second party, was addressed to the Sheristedar of this Tribunal. However, notices were again issued to the concerned receptionist on four occasions, and no claim statement was filed. Finally the Union General Secretary, stated in the open court, that no claim statement was being filed.

In view, of what has been said above, it is clear that there is no subsisting dispute between the parties.

Accordingly, I pass the following award.

AWARD

Holding that there is no subsisting dispute, the reference is rejected.

First Party

v/s

M/s. Jose Francisco Dos Santos,
Margao — Goa.

Second Party

The Government of Goa, Daman and Diu, referred the above dispute as to the termination of the services of the two of the employees namely, Shri Francisco Pires and Antonio Pereira of the second party by the order dated 17th July, 1974. The points referred to are as follows:—

«Whether the action of the management of M/s. Jose Francisco Dos Santos, Margao-Goa, in terminating the services of Shri Francisco Pires and Antonio Pereira, Fitters, with effect from 21-9-1971 is legal and justified? If not, to what relief the workmen are entitled?»

The reference was registered as a dispute by my learned predecessor in office and notice calling for the claim statement of the first party was issued. After certain dates the learned representative for the first party informed this Tribunal that negotiations for the settlement were going on. In view of this situation, no claim statement had been filed by the first party when the case came up before me in January, 1975. Thereafter also the first party did not file any claim statement until a peremptory notice was directed to be issued to the first party for filing a claim statement. This also did not produce any results for the progress of the case. In the meantime the second party stated by a written memo that the matter had been amicably settled and payment in terms of the settlement had also been made to the Union office bearer. There upon another notice was sent to the first party in regard to the matter. In response to the notice, the two concerned workmen whose termination had been the subject matter of the reference and the Union office bearers were in attendance before the Tribunal and two independent memos signed by each of the two workmen concerned were filed.

Under the said memos it had been very clearly stated that the two concerned workmen have accepted Rs. 300/- each from the Management in full and final settlement of their claims and that they had no other claims against the Management.

The position therefore, is that on account of the settlement out of court the first party has not filed a claim

statement against the termination of the two concerned workmen. No doubt that is so because of the settlement between the parties. As far as this Tribunal is concerned, we have to clearly note the fact that there is no claim statement filed in the case attacking the termination of the two concerned workmen. That being so, the first point referred to will be answered in the affirmative. The second one which is dependent on the finding of the first point does not therefore survive for decision.

I, therefore, pass the following award.

AWARD

The termination of the two concerned workmen is held to be legal and justified.

Dona Paula, 4th September, 1975.
